Winery

Valle de Tintos
Singular flavors in an honest bottle.

In our winemaking process, we work to ensure the quality of the wine. Supported by innovation and the incorporation of technology, we are able to interpret what the land of Baja California gives us year after year and, in turn, convey that in each bottle.

We want to offer you sincere wines that reflect our dedication. We hope you enjoy them as much as we do. Cheers!

Nicole Martain and Álvaro Romero founded Valle de Tintos in El Sauzal, Ensenada, Baja California, in 2014.
